# *Moments to Remember*

This is your life, class of 1962. Four years ago you started your journey through Fairmount High School, and now it has rapidly come to an end. In September of 1958, 103 freshmen elected the following class officers: President, Charles Casner; Vice-President, Denny Craven; Secretary, Sharon Smalley; Treasurer, Becky Harvey; Student Council, Earl Cline and Sherri Davis; and Social Chairmen, Diane Reeves and Larry McDermott. Your freshman class sponsors were Mrs. Dorothy Bennett, Mrs. Florence Wood, and Mr. John Roberds.

Your social chairmen planned the social activities for the year. You held the first party at the shelterhouse and went to Mounds State Park for your second party. October 28 was the big day, Initiation Day. After being initiated by the seniors, you felt that you finally belonged to F. H. S., though being initiated is a hard way to get to belong. In the fall you chose Susan Hackney as Homecoming Queen Attendant.

After an exciting summer, you, class of 1962, began your second year of the journey through Fairmount High School with 67 sophomores. You elected the following class officers: President, John Hiatt; Vice-President, Sherri Davis; Secretary, Becky Harvey; Treasurer, Diane Reeves; Student Council, Karen Leachman and Ron Hamilton; Social Chairman, Denny Craven. Mrs. Dorothy Bennett, Mr. John Roberds, and Mr. Robert Bach, your class sponsors, guided you through the second year of your journey through Fairmount High School.

Your three one-act plays were "If Boys Wore Skirts", "Happy Journey", and "Spreading the News." In January you received navy blue and white class jackets which you proudly wore. Your class parties that year were held at the shelterhouse and at John Hiatt's home. During a fall class meeting you selected Sherri Davis as Homecoming Queen Attendant.

In the fall of 1960 you began the second half of the journey through F.H.S. Seventy-three juniors began an active year by choosing the following class officers: President, Sue Wood; Vice-President, Arlen Thurman; Secretary, Becky Harvey; Treasurer, Denny Craven; Student Council, Sherri Davis and Nile Shields; Social Chairmen, Gay Simons and John Hiatt. Your class sponsors were Mrs. Lucile Sicks, Mr. John Roberds, and Mr. Richard Beck.

In November you received class rings from Herf-Jones. Your social activities consisted of class parties at the shelterhouse and at Salomoni State Park. In March, a very active month, you presented "Rebel Without a Cause," and on March 30 your plans for a successful junior-senior prom came true. Pat Monahan and John Rivers reigned as royalty over the prom held at Honeywell Memorial in Wabash. The Varsitonians from Elwood provided excellent music for "Moments To Remember," the theme of your junior-senior dance.

You selected Brenda Lawson as Homecoming Queen Attendant for the fall Homecoming dance. Your class officers served as ushers for the graduating senior class. Delegates to Girls State were Jean Rivers, Phyllis Winslow, and Sharon Smalley. Alternates were Sue Wood, Carol Morris, and Marilyn Rich. Nile Shields and David Seaman were delegates to Boys State and their alternates were Larry McDermott and Arlen Thurman.

As you awakened in the fall of 1961 to find that the journey through F.H.S. was almost over, your class enrollment had dropped from 103, when you were freshmen, to 69 graduating seniors. Your senior class officers were President. Nile Shields; Vice-President, Charles Casner; Secretary, Jean Rivers; Treasurer, Sherri Davis; Student Council, Ellen Underwood and John Hiatt; and Social Chairmen, Karen Leachman and Ron Hamilton. Class sponsors for your final year were Mrs. Lucile Sicks, Mr. John Roberds, and Mr. Robert Bach.

In the first semester you held the annual magazine drive. Kathy Bussard was high salesman. Dr. David Brown spoke at the Senior Vesper service on December 13 at the Methodist Church. Your class party for that year was held at Sullivan's farm. You selected "Today we learn, tomorrow we lead" as your class motto. Sherri Davis was crowned Homecoming Queen and Carol Morris was senior Homecoming Attendant.

In March you gave "Death Takes a Holiday" as your senior play production. On May 4 the juniors gave you a very nice prom at Honeywell Memorial. The first weekend in April was very exciting because you, class of 1962, took a trip to Chicago.

On May 14 you completed your journey through Fairmount High School. Although it looked like a long trip when you were freshmen, it was really a short time from that fall day in 1958 to May 14, 1962. Even though the journey was over, you were happy since you were alumni of F.H.S.

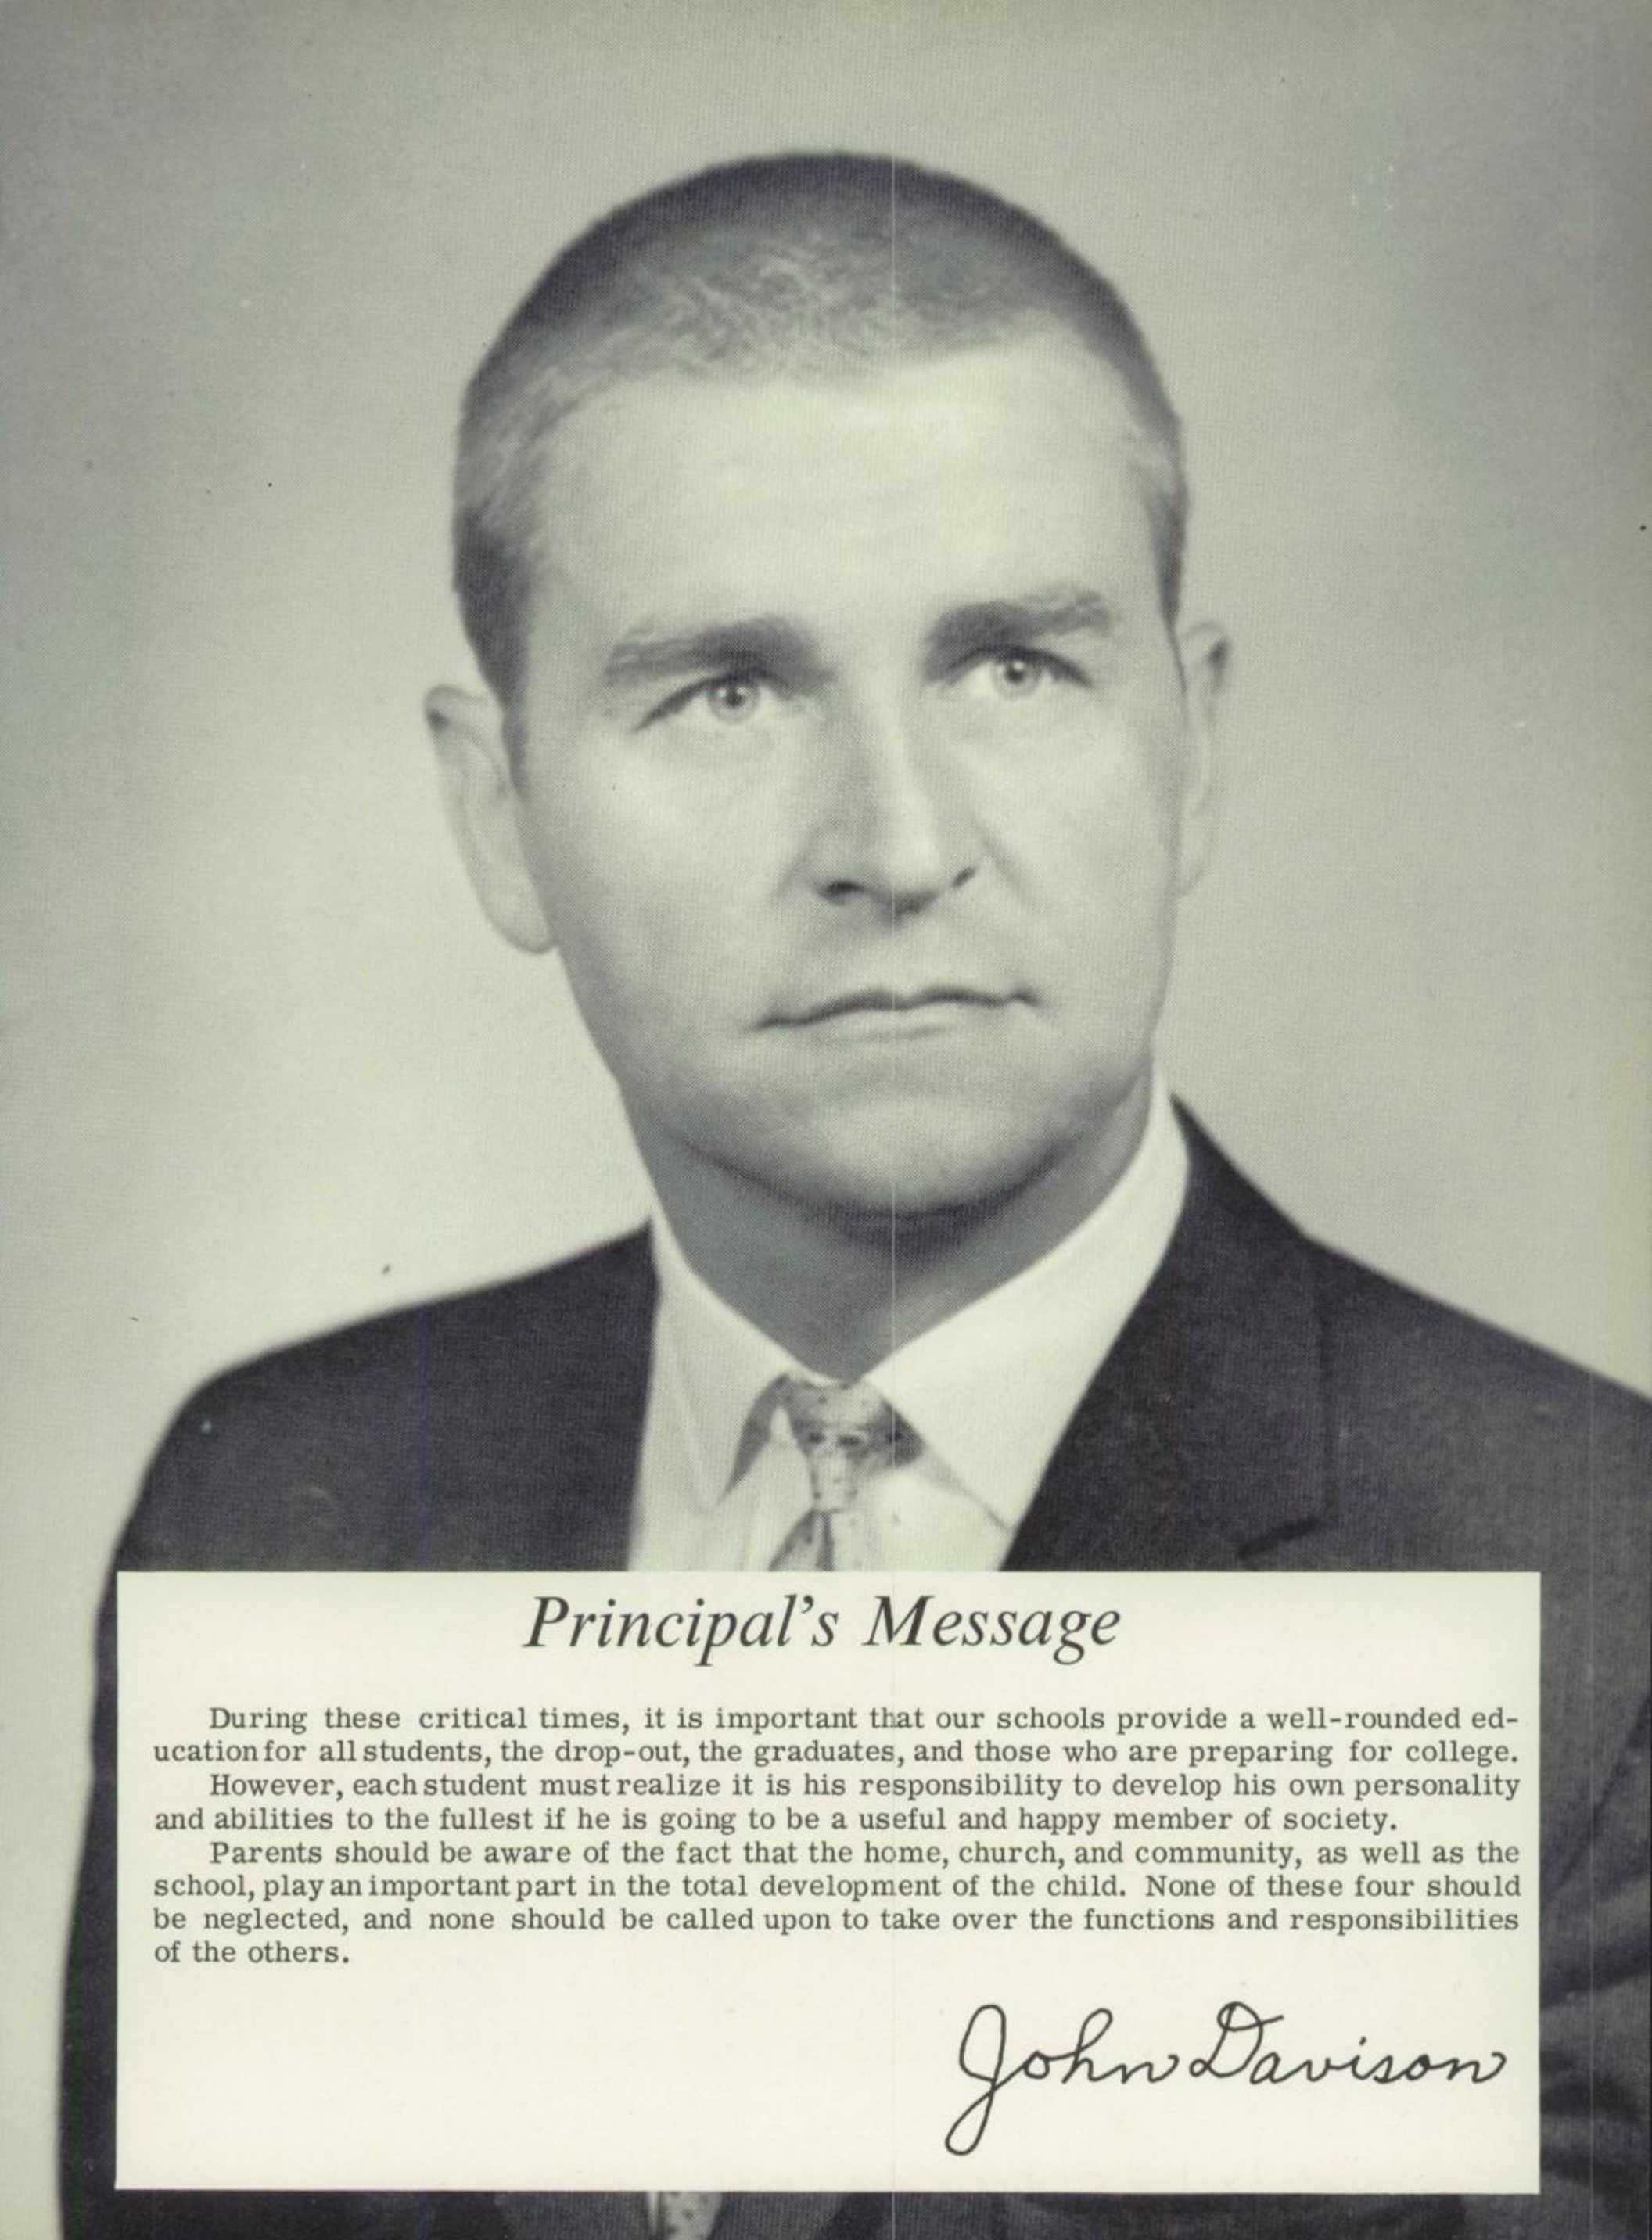
# *Superintendent's Message*

This is my advice to all school children. It has been said over and over again that education is becoming more and more of a necessity for success. Today there are many agencies making efforts to see that all boys and girls are educated. Some of the agencies are the federal government, state government, local government, school boards, churches, and individual parents. All the effort put forth by these groups is to no avail unless the individual child desires to be educated and is willing to put forth a considerable amount of effort. Let us say that every school child is preparing the foundation for his future home while he is in school. Do you want your future house built on loose, crumbly sand or solid rock? It depends upon you, no one else can build your foundation for you.

O. A. Smith



# *Principal's Message*

During these critical times, it is important that our schools provide a well-rounded education for all students, the drop-out, the graduates, and those who are preparing for college.

However, each student must realize it is his responsibility to develop his own personality and abilities to the fullest if he is going to be a useful and happy member of society.

Parents should be aware of the fact that the home, church, and community, as well as the school, play an important part in the total development of the child. None of these four should be neglected, and none should be called upon to take over the functions and responsibilities of the others.

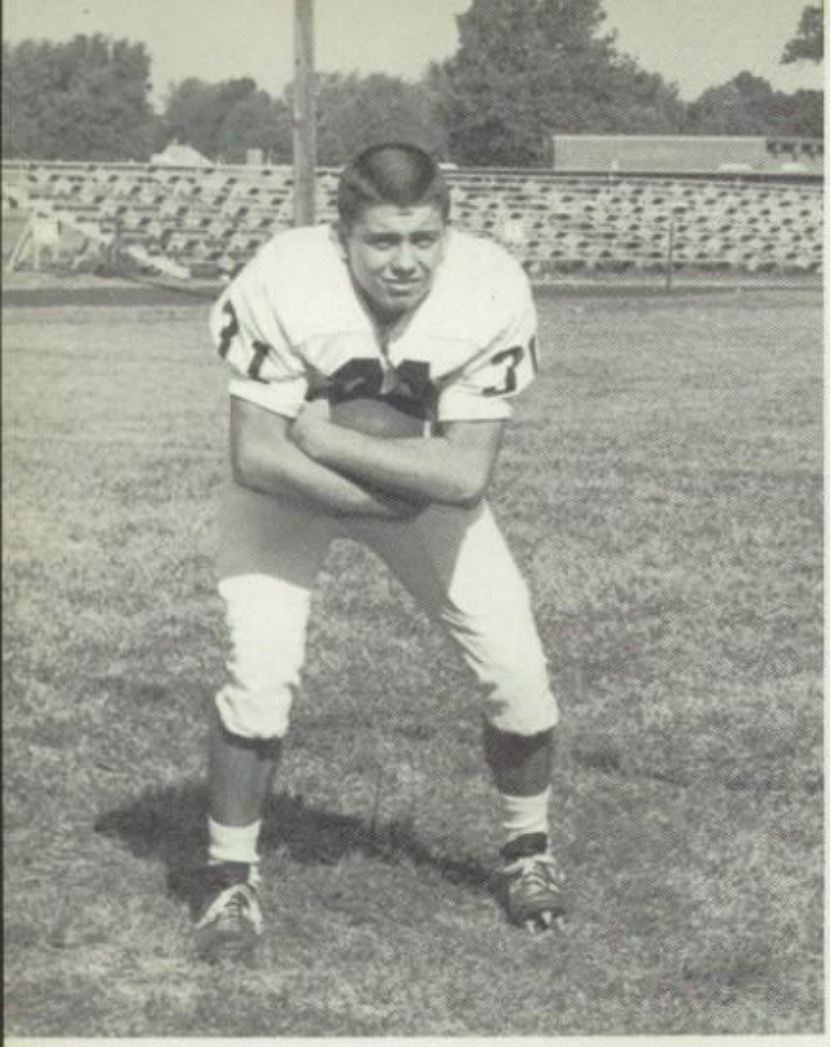
# The Quaker Squad

First Row: Student Manager, Dennis Dickerson, Bill Carl, Jim Poe, Dick Jarvis, Keith Sullivan, Jerry Stinger, Arlen Thurman, Larry McDermott, Ron Hamilton, Gary Crist, Gary Nottingham. Second Row: Student Manager, Marvin Brewer, Gary Haisley, Charles Elliott, Ed Hayes, Ben Foster, Tom Dunham, Jim Wood, Denny Rautenkranz, Max Engle, Jim Davis, Jim Richards, Coach Wright. Third Row: Student Manager, Butch Medler, Vernon Gallion, Richard Wood, Kenny Little, Tim Shane, Jim Hamilton, Jim Underwood, Dee Harvey, Jerry Burgan, Buzz Clevenger, Roger Keith. Fourth Row: Student Manager, Ray Pace, Doug Brown, Phil McHenry, Rich McCracken, Jim Lewis, Larry Thurman, Gary Dailey, Van Hasty, Randy Shane, Bill Holder, Jim Sparks. Fifth Row: Steve Craw, Mike Titus, Joe King, Steve Martin, Alan Reasoner, Reece Peacock, Joe Kimes, Donald Everett, Tom Penzone, David Record, David Davis.



Ronnie Hamilton, halfback, 2 years.

Ronnie was an ideal team man. He was hard-charging and dedicated. He has set a fine example of sportsmanship and co-operation.

"Here is a man to hold against all mankind, A man to match the mountains, the seas, the sun that he will find."

Larry McDermott, end, 1 year.

A versatile athlete, who played several positions, Larry's ability to contribute in many ways made him valuable to the team. He is a fine gentleman and has many desirable traits.

"Fearless and unperplexed He looks to wage battle next."

Gary Nottingham, fullback, 4 years.

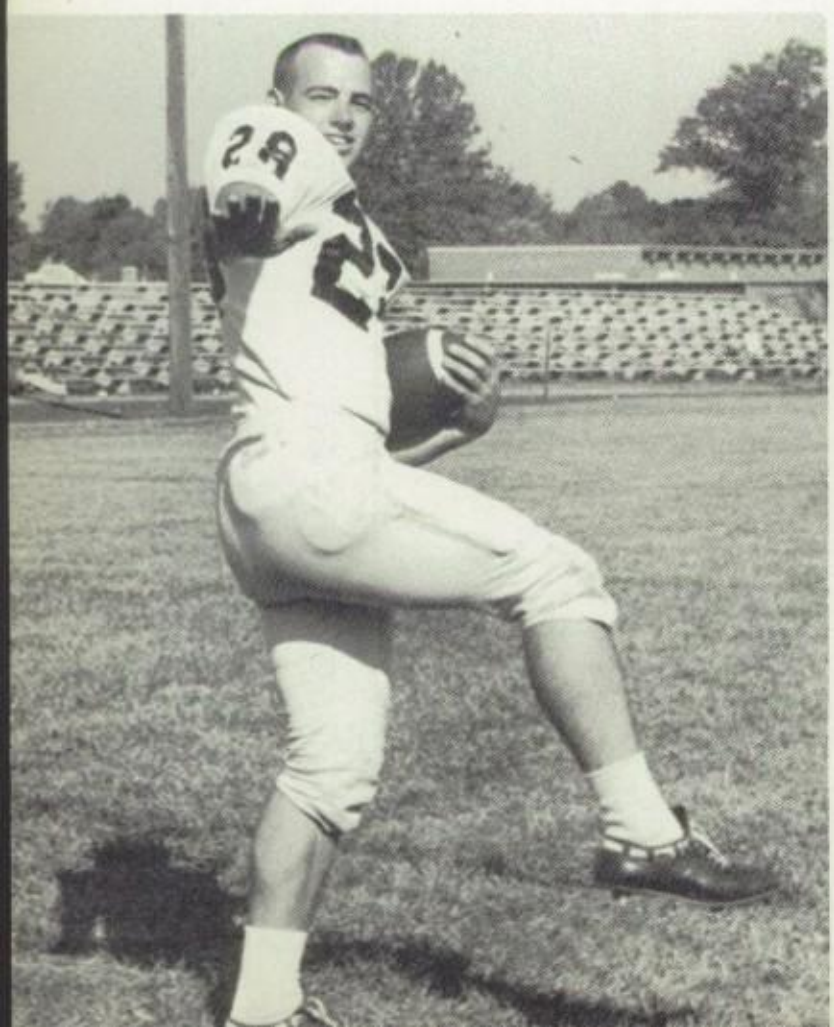
Gary deserves much of the credit for the success of F. H. S.'s football teams for the past four years. He has gained respect for his ability. His competitive spirit will be an inspiration to those who follow. His shoes will be hard to fill. He was also nominated as honorary captain by teammates.

"And one as valiant as he can scarce forgotten be."

Gary Crist, end, 2 years.

Gary was injured through the season, but he showed determination and team spirit. His contribution to team loyalty was always present. When he did participate, he gave a very good account of himself.

"Strong in will to strive, to seek, to find, and not to yield."



Arlen Thurman, tackle, 3 years.

Arlen was one of our most consistent players. He was outstanding defensively. The number of tackles he accumulated during the season has never been equaled in the history of the school. He was chosen honorary captain by his teammates.

"His future is strong and not afraid
Tall as a viking, kindly and strong,
he is made."

Jerry Stinger, guard, 1 year.

Jerry gave much of himself to football. He was serious, ambitious, and diligent in his efforts. He loved contact and was devoted to football. He was one of the most dedicated performers until injured late in the season.

"There are some defeats more triumphant than victories!"

Keith Sullivan, tackle, 1 year.

Keith used his ability both on offense and defense. He was aggressive and showed poise. He developed slowly and was a valuable asset to the team at the end of the season. He is a fine athlete and gentleman.

"Whatsoever my hands find to do
Do it with all my might."

Richard Jarvis, guard, 2 years.

Richard was a very good defensive player. His ability to re-act quickly was unique. He played the game hard and competed with determination.

"Thanks for the human heart by which he lives,
Thanks to its tenderness, its joys,
and the spirit it gives."

Max Engle, Junior
5' 10" Guard, 3 yrs. Varsity
Max's middle name should have been 100%. He always got the toughest defensive assignment plus the job of being our offensive punch. He had a good jump shot and was quick to drive around the defense.

Coach Richard Beck
"Pete", as he has been respectfully called since his high school varsity days, completed his second season as basketball coach this year. He also served as track coach and assistant football coach.

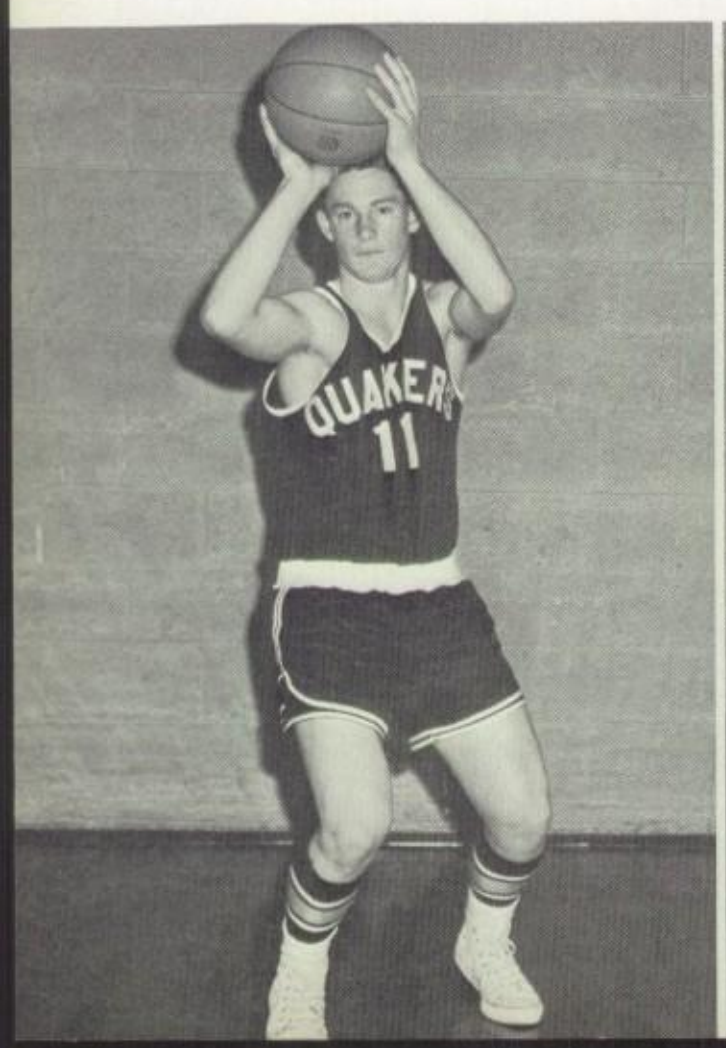
Dick DuBois, Senior
6' 1" Center, 2 yrs. Varsity
Dick was a hard worker; he not only was our high scorer but also carried the rebounding load. He was short, as pivot men go, but made up for lack of height with desire. He set a new F.H.S. scoring record of 44 points, suffering a broken hand in the process.

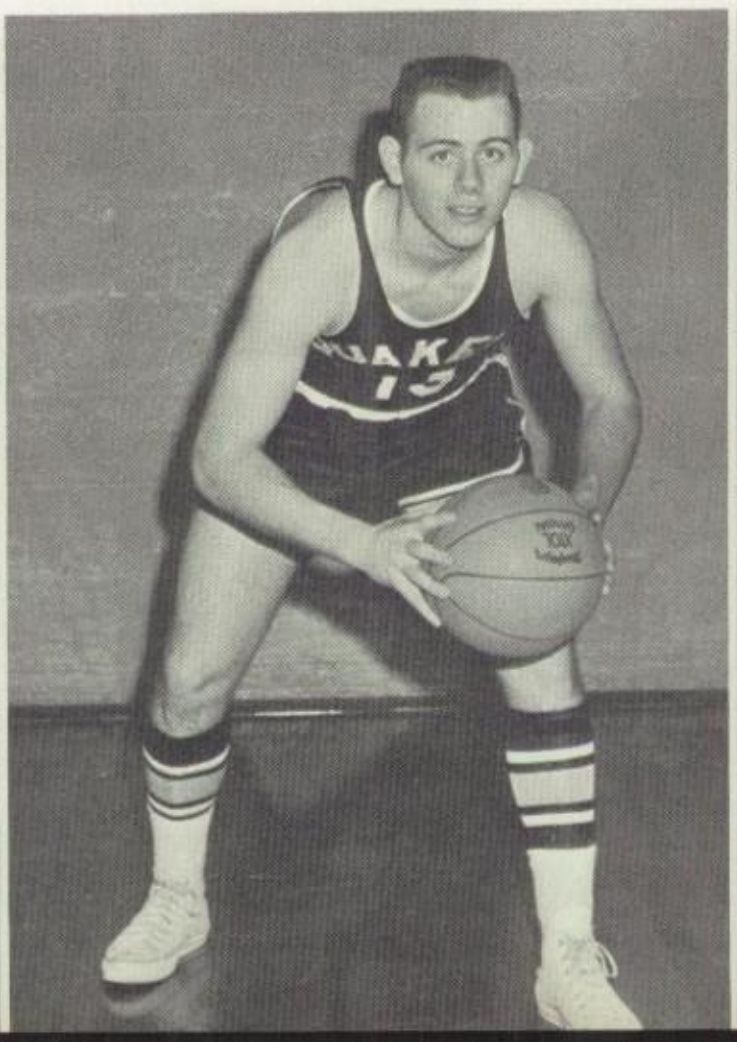
# *Quaker*

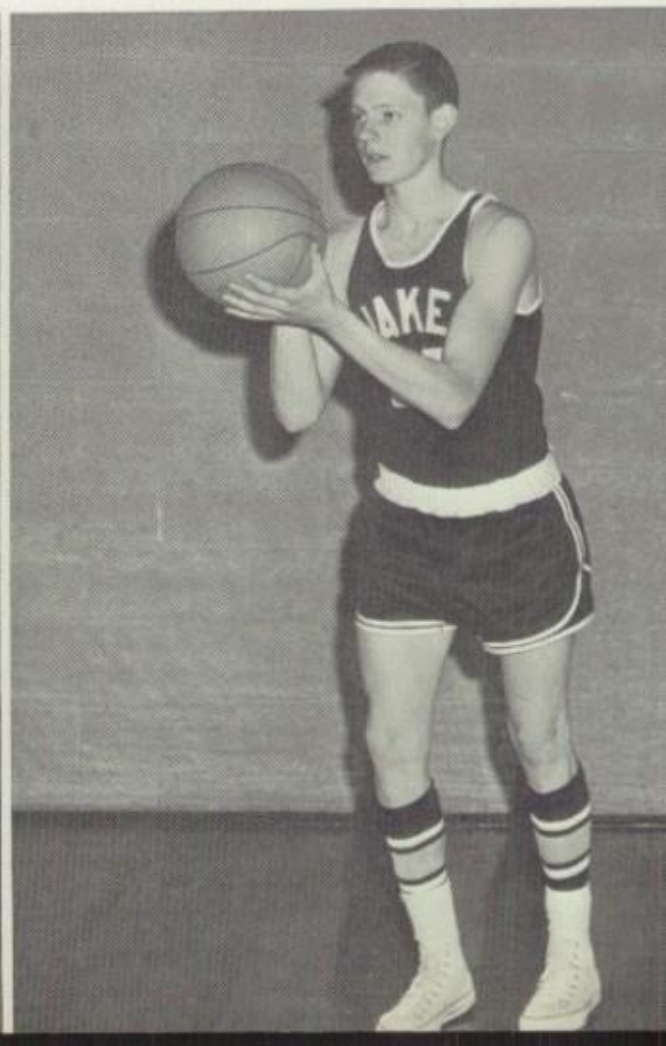
Jim Kirk, Junior
6' Forward, 1 yr. Varsity
Jim was another 100% player. He didn't have a lot of speed, but he made up for it with hard work and hustle. He had an excellent fade-away jump shot which should be very effective next season.

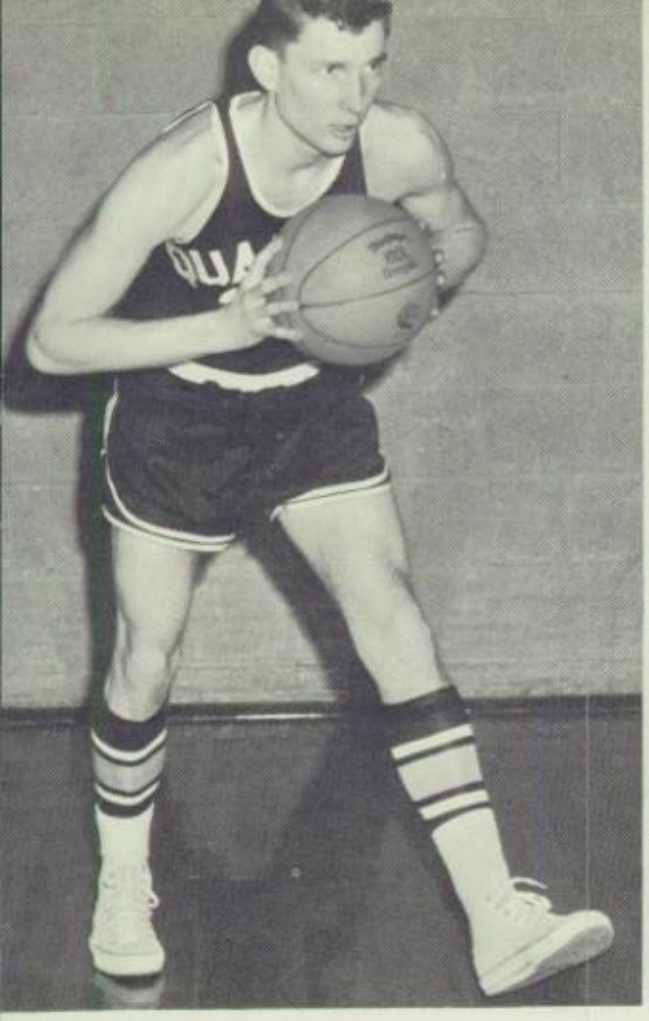
Ed Hayes, Junior
5' 11" Guard, 2 yrs. Varsity
Ed did a good job this season as floor general. Should he happen to catch fire next season, he could be a great ball player. He was the possessor of a lot of natural ability.

Harold Lamons, Senior
5' 11" Forward, 1 yr. Varsity
Harold, a transfer student from Lancaster Central, was a good shooter and rebounder. Our one regret was that we had him for only one year.

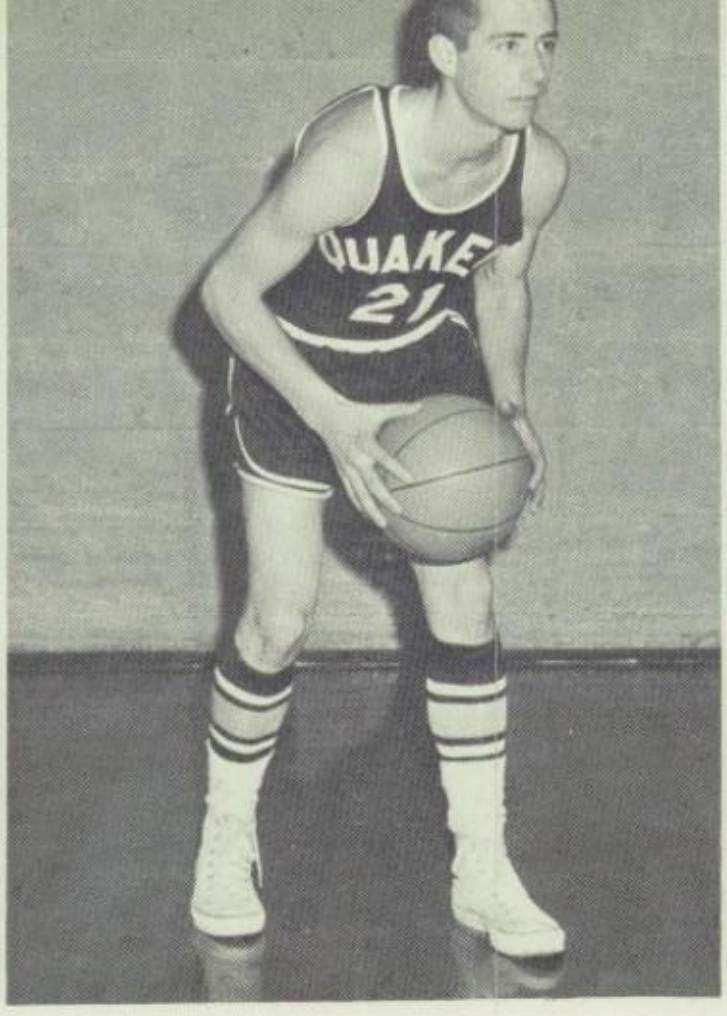




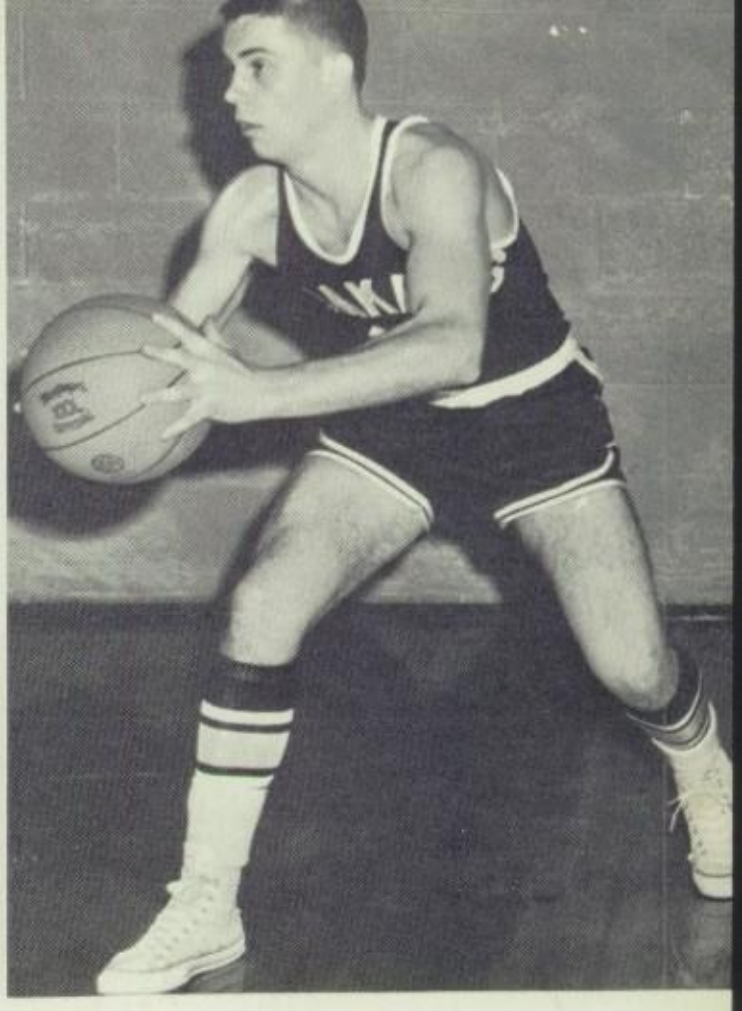




Larry McDermott, Senior
6' Forward, 2 yrs. Varsity
Larry was a hot and cold ball player. He was the player we always turned to for reserve strength. He'll never be forgotten for some of the great sixth man plays he performed.



Phil Hoke, Senior
5' 8" Guard, 1 yr. Varsity
Phil was quick as a cat, both on his feet and with his hands. He always gave the opponents "Fits" with his defensive aggressiveness.



Ron Hamilton, Senior
5' 8" Guard, 1 yr. Varsity
Ron was our first reserve guard. He was possessor of a lot of desire and didn't know what it was to quit. His spirit and hustle will be missed the next time basketball season rolls around.

# *Varsity*

Milton Starkey, Junior
6' 3" Forward, 1 yr. Varsity
Milt was the best through-the-week player we had. Being able to relax was his biggest problem. With a lot of work this summer, though, he could develop one good shot and gain the confidence he needs to play with ease.

Myron Harner, Senior
5' 9" Guard, 1 yr. Varsity
Myron was a hard working player with energy to burn. He was the possessor of a booming jump shot that when zeroed in couldn't miss. He was our fireball and spirit man.

Charles Elliott, Junior
6' 1" Center, 1 yr. Varsity
Charles didn't get much actual game experience this season; however, great improvements could be noticed in the practice sessions. Playing opposite DuBois every night should pay off for him and the Quakers next year.
